BENEFITS OF TRAVELLING TOGETHER

**Meet other students
travelling to your same
exchange location**

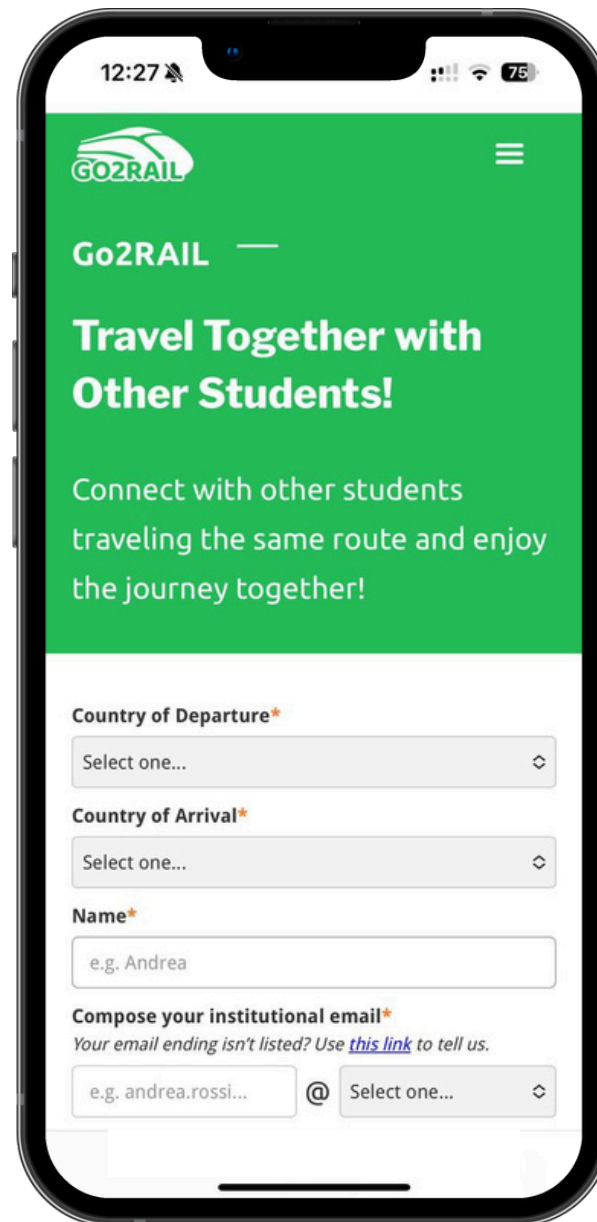

**Time flies while chatting &
sharing thoughts**

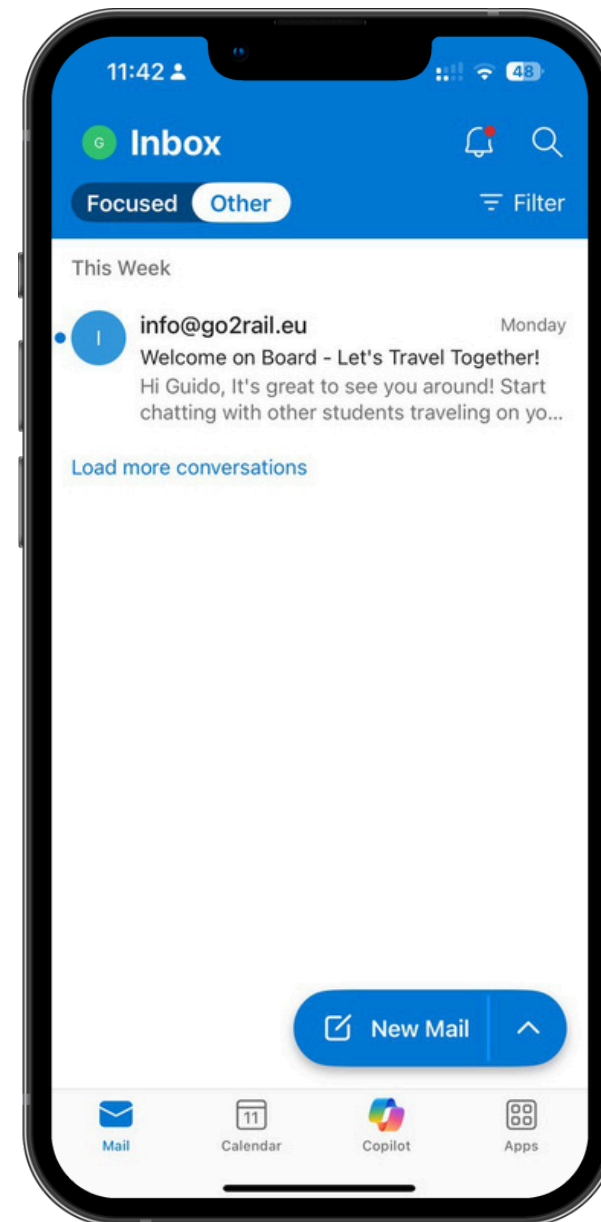

**Share support & feel safer
especially on night trains**

HOW DOES IT WORK?

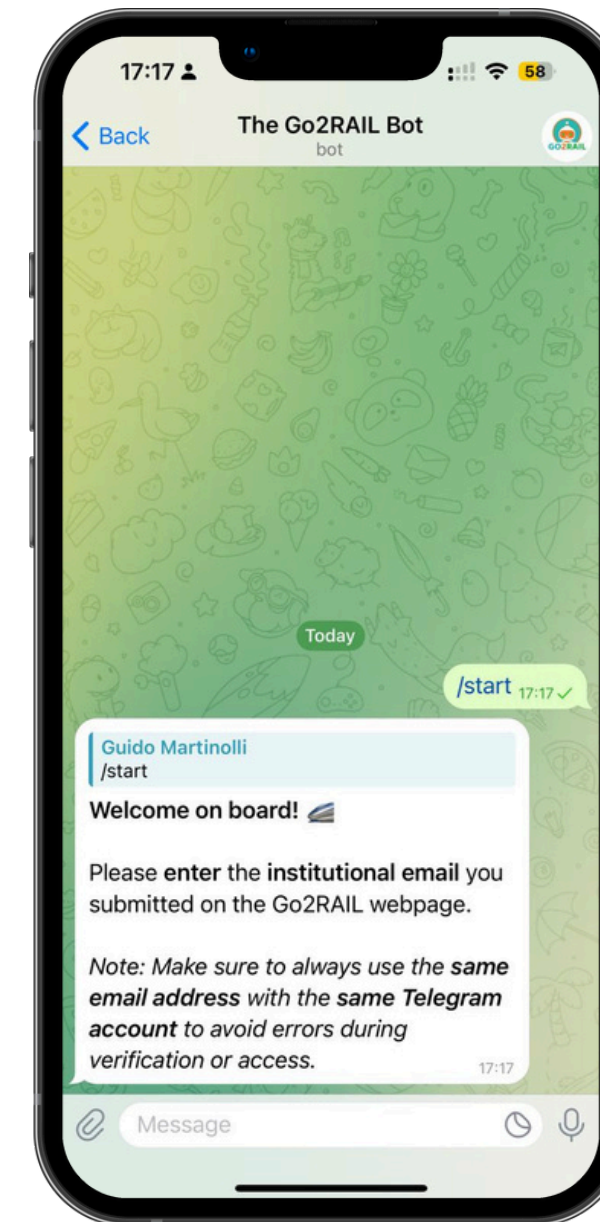

The screenshot shows the Go2RAIL app's registration page. At the top, the Go2RAIL logo is on the left and a menu icon is on the right. Below the logo, the text 'Go2RAIL' is followed by a horizontal line. The main heading is 'Travel Together with Other Students!'. Below this, a paragraph says 'Connect with other students traveling the same route and enjoy the journey together!'. The registration form includes: a 'Country of Departure*' dropdown menu with 'Select one...' text; a 'Country of Arrival*' dropdown menu with 'Select one...' text; a 'Name*' text input field with 'e.g. Andrea' as a placeholder; and a 'Compose your institutional email*' section with a text input field containing 'e.g. andrea.rossi...' and a dropdown menu for the domain with 'Select one...' text. A small note below the email field says 'Your email ending isn't listed? Use [this link](#) to tell us.'
